HYGIENE

CLINIC

FREE Dental Hygiene Services for the Community!

The West Coast University Dental Hygiene Clinic serves as an educational facility to support the clinical learning needs of the students enrolled in the Dental Hygiene program. Under the supervision of licensed dentists (DDS/ DMD) and registered dental hygienists (RDH), the Dental Hygiene students provide oral health care and educational services to the local community.

The West Coast University Dental Hygiene Clinic is an educational institution, thus the appointments are lengthier than a regular visit to your dental office. Appointments are recommended. We will do our best to accommodate walk-ins.

To schedule an appointment:

Call now, 877-928-2546

WCU Dental Hygiene Clinic is open:

Mon–Thur 7:00am–8:30pm Fri 7:00am–5:00pm

The clinic is closed when the University is not in session and on all major holidays.

WCU Dental Hygiene Clinic is located:

4th floor of the Orange County Campus

1477 South Manchester Ave, Anaheim, CA 92802
